## Burning Your Ships

When Hernando Cortez and his small force of men landed at Veracruz in 1519 to begin their conquest of Mexico, Cortez purposely set fire to his fleet of 11 ships. On the shore, his men watched their only means of retreat sink to the bottom of the Gulf of Mexico. With no means of retreat, there was only one direction to move: forward into the Mexican interior to meet whatever might come their way. *Devotional*

### It's all about commitment!

Sadly today, many refuse to commit themselves to anyone or anything, and more and more people are proving unfaithful to promises they have already made. Unwilling to "burn their ships" behind them, many enter into agreements or "covenants" without any REAL commitment, always making sure to leave the door open so they can return to their former conduct or way of life should the going get tough.

### In order to follow Christ, we, too, must "burn our ships."

Our "ships" include anything that would prevent us from following Jesus and finding the truly abundant life (John 10:10) and eternal life to come (Mark 10:28-30). "Burning our ships" means that we will turn away from any sinful thought, attitude, or action and determine to follow Jesus. This is what the Bible calls **repentance** (see 2 Cor7:9-10).

## Ghana Flood Relief

### HEAVY RAINS DEVASTATE NORTHERN GHANA

This week we were able to wire \$4,450 to Ghana. These funds will be used to purchase and distribute food relief around Saboba and Jimbali. Jimbali was site of the recent tribal fighting. Some of the food will be sent to Kiteek. (Photos below from Kiteek.)

The Bunkpurugu-Yunyoo District authorities have agreed to help us in sending relief to Jimbali by supplying the vehicles needed to transport and distribute the grain.

This week our appeal for Ghana Flood Relief should be mailed nationwide to 9,268 churches of Christ.

We would like to thank all who have been able to help with the flood relief. Please

continue to remember those affected by flooding and the fighting in your prayers.

Jesus used the farming occupation to illustrate the commitment that is required in following Him: "No one, having put his hand to the plow, and looking back, is fit for the kingdom of God" (Luke 9:62).

**The Apostle Paul "burned his ships" in order to follow Christ:** "Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead, I press toward the goal for the prize of the upward call of God in Christ Jesus" (Phil 3:13-14).

**Jesus wants to lead us to eternal paradise in heaven.** To follow Him, we must believe in Him (Acts 16:30-31), "burn our ships" in repentance (Acts 17:30-31), confess Him before men (Romans 10:9-10), and be baptized (immersed) in His name for the forgiveness of sins (Acts 2:38). And, we must commit to following Him faithfully throughout our journey (1 John 1:7).

**Following Jesus is worth ANY and EVERY sacrifice that we may have to make, but we must burn OUR ships, and follow Him.**

Won't YOU?
